The 1st Indian Orthodontic Society Executive Committee Meeting (2022-2023)

The 1st EC meeting of Indian Orthodontic Society was held at the Conference Hall, Bharti Vidyapeeth Medical College Campus, Dhanakwadi (Pune) on September 18th, 2022 amidst the august presence of all the Principal office bearers & EC Members. The meeting started with the Honorary Secretary, Dr. Sanjay Labh adorning the jewels of the office on the President – IOS, Dr. Balvinder Singh Thakkar.

The President welcomed the newly elected office bearers; Dr. Sanjay Labh (Honorary Secretary), Dr. Jayesh Rahalkar (President Elect), Dr. Shailesh Shenava (Vice President), Dr. Amit Bhardawaj (Joint Secretary), Dr. Munish Reddy (Treasurer), Dr. Vignesh Kailasam (Editor JIOS) & Dr. Santosh Ramegowda (Editor IOS TIMES). The President also congratulated the newly elected executive committee and asked all the members to formally introduce themselves.

After the formal introduction of all the members, President Dr. Balvinder Singh Thakkar apprised all the members about the manner of conduct of activities within the EC and also the conduct in all forms of social media. The President declared the calendar of the events for the incoming year and various subcommittees for the year were finalised.

A new artwork for the year 2022 – 2023, with the theme “Fostering Smiles Globally” was released.

The tentative dates for the next EC meetings were also announced. The matters pertaining to all the agendas were taken up, discussed and deliberated upon by all the members. The minutes of the EC meeting may soon be found on www.iosweb.net

Wildlife Photography

By Dr. Kuldeep DMello

Dr. Kuldeep DMello was born in 22nd Nov 1973, at Mangalore. He completed his BDS in 1991 and MDS in 1997 from A B Shetty dental college, Mangalore. He is an active academician, an avid traveller, a chef, a musician, a gardener, and a singer, other than a photographer. Kuldeep DMello learnt his photography very early in life under the guidance of his dad Mr Thomas Dmello at the age of 6. His commendable picture was the sunrise shot at Kanyakumari when he was of age 7 on a Nikon FE 2 camera .

He learnt about digital photography under Mr Prasad Pankar in 2005 and then under Mr Ashish Parmar for macro and wildlife photography in 2007. Though he worked for National Geographic and Lonely Planet channel as a freelancer on basically wildlife photography and dental photography in various colleges, his break came in dentistry when Dr Raghunandan Chundari asked him to conduct a workshop on Digital Dental Photography for Post Graduates at PG convention held at Bangalore.

Work experience

He is a Canon user since 2005 and has taught over 5000 participants so far .

No of workshops conducted so far by Dr. Kuldeep DMello are

- a. Dental photography – 1185,
- b. Wildlife photography - 35,
- c. Macro photography - 18

On an average his dental photography workshops have 40 plus participants, his wildlife workshops have over 25 participants and his macro workshops have over 20 participants. He has worked on Canon cameras and conducts workshops on his own to teach the techniques of photography to students.

Goals

To be as simple in his workshop as possible so that anybody can learn photography.

His strong points:

He is easy going, connect well with people, and make participants learn the techniques.

Achievements

He is a clinician and director for a couple of clinics in Goa mainly doing Aesthetic and implant work for the last 23 years. He caters to a wide clientele from Europe, North America and Australia.

He has been conducting photography courses for amateur photographers and conducts wildlife tours all over India as well as abroad. He has also been conducting digital dental photography workshops for postgraduate students all over India since the year 2002. He has conducted courses at AIIMS Delhi, A B Shetty Mangalore, SDM Dharwad, JSS Mysore, Hazaribagh, Jharkhand, KD Dental College, Mathura, Jodhpur dental college, Jodhpur, Pacific institutes, Udaipur, M S Ramaiah Bangalore, etc. His photographs have been published by many magazines mainly National Geographic and Lonely planet. He also conducts certification courses in A B Shetty dental college, Mangalore under Nitte Education trust in 3 modules. He lives most of the time in jungles. He is very passionate about wildlife and nature. You will never find him without his camera and chasing wild cats which is his passion !!!!
