

The Official News Letter of Indian Orthodontic Society

The 55th Indian Orthodontic Conference, Amritsar

A Conference Par Excellence and Global Orthodontic standards

**TESTED BY THE PANDEMIC AND
CHALLENGED BY THE CIRCUMSTANCES
BUT, THE COC DELIVERED US A GREAT
LEARNING EXPERIENCE.**

Congratulations and Thanks to them

President's Message

Respected fraternity colleagues,

On the auspicious occasion of Dussehra, I would like to take this opportunity to thank all the members for placing your confidence in me and electing me to the distinguished post of President of our esteemed society through IOS Times.

With Great powers comes great responsibilities. The strength of our society lies in its members and I am merely the representative. I would with utmost sincerity, passion and to the best of my abilities shall strive hard to take our society a step forward.

Indian Orthodontic Society has completed 56 years of its glorious existence. We had grown and evolved as a powerful body at a global platform in these 56 Years. Now I behold the great responsibility to uphold this glory and take our society to greater heights. Our eminent members of

the society had excelled in various fields of Orthodontics. Some are profound clinicians, some are excellent academicians and some are great researchers of our science. I eagerly look forward to pool in all these talents and expertise, from the members for the growth and power of our society.

We had great leaders from the past who had raised the standards of our society, to what we are now. I feel privileged and honoured to carry out responsibilities entrusted upon me by my predecessors. I along with the EC team would carry on the the flag to greater heights.

I am also privileged to lead a team of excellent Executive Committee. The principal office bearers and every executive committee member are dynamic and highly potential. With their talents and capabilities, I look forward for a wonderful and productive tenure. As we are reinventing ourselves post Covid recovery, I promise a great year of Science, Knowledge, Research, Membership welfare, Student member support & progression and an IOS family togetherness.

Jai IOS
Jai HIND

Dr. SriKrishna Chalasani

President, IOS 2021-22

Hon. Secretary's Message

Respected IOS Members,

Trust this message finds you all well and looking forward to a new society year!

As we look back on the last calendar year of the Indian Orthodontic Society, We realize that it has been unique in more ways than one. Having to grapple with a once in a lifetime Pandemic just like the rest of the world, we have had to switch gears in more ways than one.

However, I am proud to say that the executive committee and the IOS members under the able and level headed leadership of the President Dr.Silju Mathew went the extra mile to make the best of a bad situation. The result was a IOS calendar year that was a bit longer but was bustling with activity, that was inclusive because it brought more members on a common platform- "The virtual space".

In addition to the regular calendar of events which moved online ,members have appreciated the numerous webinars with international faculty that were conducted last year. The EC also worked on a variety of other activities but probably the greatest achievement of the IOS head office during 2019-21 was regularizing the registration of the Indian Orthodontic Society at Vellore and I must thank both the Treasurer and Joint Secretary for the humongous efforts put in to enable this important task. IOS office bearers, EC members and numerous committees such as the member benefit programme, public awareness, academic council, study groups co-ordination, programme endorsement, research foundation, constitution committee and the publications of the IOS and many others have worked harder than normal during this pandemic. I would request you to take the time to go through the annual report posted on the website. I also thank study groups and other institutions which worked with the IOS to give us some memorable programmes .

We thank the COC of the 55th IOC for respecting the sensibilities of the membership and for giving us a great first ever annual virtual conference and giving us, the office bearers who travelled to Amritsar some memorable moments. A massive exercise was undertaken by the IOS HO to update member's details on the IOS website in order to be able to conduct remote online elections in a free and transparent manner. The AGM saw some important decisions this year. For one, this online mode of election will continue giving all members of the IOS a right to participate in the IOS elections.

I congratulate the winners of the IOS awards, grants and the winners of various scientific prizes in 54th IOC, 55th IOC and the 24th IOS PG student convention. I congratulate the newly elected office bearers and look forward to working with them.Kudos to Dr.Silju Mathew for an extremely successful Presidency and best wishes to the new incoming President Dr.Sri krishna Chalasani and his team the best of luck for a equally successful calendar year.

Finally I thank all members of the IOS for your appreciation, support and participation. Please do update your details on www.iosweb.net in order to stay connected.

"No man can have society on his own terms. If he seeks it, he should serve it too!" Ralph Waldo Emerson .

Jai IOS,Jai Hind

Sridevi Padmanabhan

Hon.Secretary,IOS

Editor's Message

Hello Friends,

Greetings from IOSTIMES

Happy Dussehra & Vijaya Dashami !

We wish you a wonderful year as Smile Architects and Oral Health Rehabilitators. On this auspicious Day, We wish you a successful practice and profession, beyond pink health and great happiness with your family.

We had successfully finished our 1st half of my tenure (which was made 2 years due to the global pandemic) in the office of IOS Times. We are proudly stepping into the second half of my term from this issue. We shall continue our service with the same energy and potentials. There was a customary change of Guards of IOS EC at the AGM on September 25th ,along there had been minor changes among the team, from our office. The IOSTimes Editorial Committee for Year 2021-22 is as follows,

Dr M.S.Kannan, Chief Editor

Dr Kavitha, Associate Editor,

EC Internal Members

Dr Ankit Sikri, Dr Vedavathi, Dr Gurav Gupta, Dr Dig Vijay Patil, Dr Edeington

External Members

Dr Swati Acharya, Dr Sandeep Singh

All thanks to Dr Silju Mathew , immediate Past President. We had an excellent, 1st part of the tenure under his leadership. We had been tested like rest from the world in the Covid Pandemic. But his excellent leadership and guidance, helped us to perform to the fullest of our capabilities. We delivered to excellence and immensely connected with every member through our monthly issues.

We eagerly look forward the same leadership from our Charismatic President Dr Sri Krishna Chalsani, as he steps into the Presidential Seat. Dr Sri Krishna was our guide and fore looker as per IOS constitution for the past year. His position would be taken by our President Elect Dr Balvinder Singh and we so much look into him for his directions. Dr Sri Devi Padmanabhan, Hon. Secretary had ever remained our pillar support and we are glad to continue with her same capacities.

The 1st issue of the 2nd half is being released today on Dussehra & Vijaya Dashami. We deem it as auspicious start. I regret the 15 days delay in this publication as we required time to adapt to the New EC, post the AGM 2021. Hence forth our IOS Times monthlies would be promptly released on the last day of every month by mid night 12:00 as we had been releasing hitherto.

Hope you Enjoy this September 2021 issue.

Stay Strong, Stay Healthy, Stay Motivated

Jai IOS

THE 55TH INDIAN ORTHODONTIC CONFERENCE AMRITSAR

Reported By Dr. Ankit Sikri, Editor

‘An event is not over until everyone is tired of talking about it.’ It surely implied on the 55th Indian Orthodontic Conference which was hosted by Indian Orthodontic Society from 24th – 26th September, 2021 at Amritsar. It was the most awaited national conference of the historic Covid – era and the first ever virtual annual conference which was held under the theme “Smiles 2021 and beyond: a prism of opportunities”

This annual virtual conference was organised by Dr. Jagpreet Singh Sandhu (Organising Chairman & a prominent Orthodontist), Dr. Amanish Singh Shinh (Organising Secretary & Principal, Adesh Institute of Dental Sciences & Research, Bathinda) and Dr. Sukhdeep Singh Kahlon (Head of Department, Sri Guru Ram Das

Dental College, Amritsar) along with the Indian Orthodontic Society.

The occasion was presided by Dr. Silju Mathew (President IOS), Dr. Sridevi Padmanabhan (Hony. Secretary), Dr. Srikrishna Chalasani (President Elect), Dr. Pradeep Jain (Immediate Past President) along with other office bearers of Indian Orthodontic Society.

The scientific programme and the multitudes which were covered, was a whole new experience for the conduct of this virtual conference. The sessions were conducted on a digital platform in line with the social distancing norms due to the Covid 19 pandemic guidelines. From the announcement of the dates to the actual hosting of the scientific sessions, a lot of hard work went into the preparation of the same. The scientific team led by Chairperson Dr. Sukhdeep Singh and his team left no stone unturned to make this scientific event a success.

There were a total of 139 speakers who shared their thoughts and knowledge amongst whom there were 3 Oration speakers, 34 keynote speakers, 42 guest speakers and 60 rising star presenters. An interesting debate on Aligners on the Day 1 proved to be a show stopper moment for this conference. The oration lectures were given by Dr. Mani K. Prakash, Dr. Sandra Tai and Dr. Akhter Hussain. The three - day long event also comprised of lectures by globally renowned Orthodontists Dr. Mazyar Moshiri, Dr. Ralf J. Radianski, Dr. Sarandeep Huja, Dr. Sunil Hirani, Dr. Tommaso Castroflorio and Dr. Bader Borgan. Apart from that; competitive paper and poster presentations, table clinics and debate sessions were also the highlight of this conference. To let loose, there was an online cultural night which was held on Day 2 of the conference. It was thoroughly enjoyed by all and was a success as it left smiles on each and everyone's face.

On the concluding day, a valedictory ceremony was organised in which change of guard is done between the President, Dr. Silju Mathew and the President Elect, Dr. Srikrishna Chalasani. After the adorning the jewels of the office on stage, Dr. Srikrishna Chalasani acceded to become the new President of Indian Orthodontic Society. The ceremony was pioneered by Dr. Silju Mathew who enlightened the audience with his golden words and conveying a thank you note to all whose efforts went behind organising this conference. The result declaration of the papers, posters and table clinic presentations was also done during the ceremony.

The 55th Indian Orthodontic Conference surely gave all of us an experience to cherish and remember.

ANNUAL GENERAL BODY MEETING of Indian Orthodontic Society Subcommittees for Year 2021-22

Reported by Dr. Sridevi Padmanabhan Hon. Secretary, IOS

The 55th AGM was convened on 25th September 2021. The agenda was taken up to start the IOS elections and bidding for 58th IOC and 27th IOS PG student convention. Polling started at 11 am and more than 2500 members of the IOS participated in the online remote elections.

The AGM reconvened at 2 pm to take up other important matters on the agenda. The President and the Hon. Secretary presented their reports. One major achievement was the regularization of the Vellore registration which the Hon. Secretary highlighted. The status of the IOS finances was explained in detail by the Treasurer and the balance sheet of the last financial year was approved. Detailed explanation

was given on the measures taken by the IOS administration to regularize IOS affairs in order to comply with Govt. Regulations.

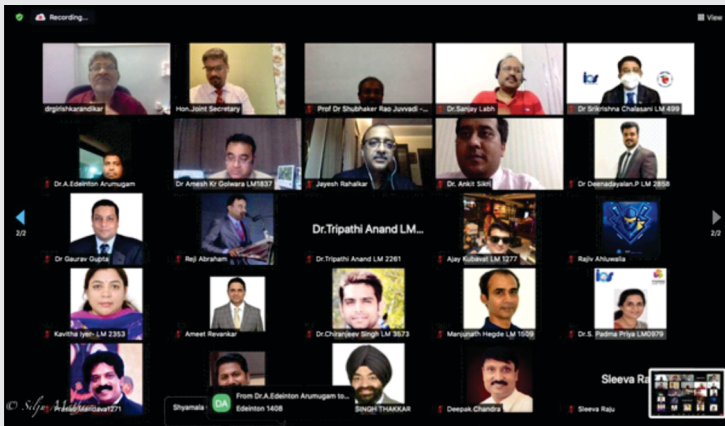

The budget for the upcoming year was presented by the President Elect and approved.

The AGM also approved the

- Appointment of Auditors for the year 2021-2022.
- Appointment of IOS legal Counsel for the year 2021-22.
- Appointment of AGM appointed Committees (Constitution Committee
- Arbitration committee
- Speaker Selection Committee
- Constitutional amendments passed in EOGM were ratified and the new IBO board of directors was announced.

Resolutions proposed by members and study groups were taken up and the challenges faced by the society i.e DIY aligners were discussed in great detail. An advisory committee was appointed to look into the complaints sent by members on Toothsi and the members of the IOS associated with it. In any other matter, the Vice President Dr.Suryakanta Das presented a proposal for an Orthodontic Practice management software.

The president announced the results of the IOS elections. The 27th PG student convention was allotted without contest to Terna Dental College, Maharashtra. Dr. Sarvaraj Kohli was elected unanimously to the post of JCO-IOS editor.

Thanks to the Election Commission of IOS, AGM 2021- Who as a team, conducted a challenging Online election with perfection. They "Left no stone Unturned"!

THE 8TH EXECUTIVE COMMITTEE MEETING (2019-2021)

of Indian Orthodontic Society

Last EC Meeting of Dr Silju Mathew's Presidential Tenure

24th September 2021

Reported By Dr. Swati Acharya, Section Editor

The Virtual EC Meeting was held in during the 55th IOC, Amritsar, 2021. President, Dr. Silju Mathew; Hon. Secretary Dr. Sridevi Padmanahan, President Elect Dr. Srikrishna Chalasani, Hon Treasurer Dr. Sanjay Labh, Joint Secretary Dr. Gnana Shanmugham and Immediate Past President Dr.

Pradeep Jain were physically present. The agenda of the meeting was to take on record the minutes of the 7th EC meeting, action taken on the minutes of 7th EC, passing of audited accounts 2019-21, IOS Budget 2021-22, taking on record the report of the EC (Secretary's report), to decide if and how the pre-circulated Agenda for GB meeting is to be sought to be changed with the permission of the House in the AGM, recommendation to the AGM for Election Commission, member /study group resolutions, to decide on the manner of voting (Voice Vote/Show of Hands) for resolutions in the AGM, communication from Dr. Joseph Varghese, update on forthcoming IOS Conference 56th IOC, Pune, update on forthcoming 25th IOS PG Student convention, Mangalore,, bids for 27th IOS PG student convention 2024 (Zone 1), bids for 58th IOC 2024 (Zone 4), approval of Life, student and associate members and update on status of action taken on complaints received from members.

INDIAN BOARD OF ORTHODONTICS

IBO Report for the Year (2021)

Reported By Dr Kavitha Iyer, Associate Editor

The Indian Board of Orthodontics (IBO) successfully conducted the 22nd Phase III clinical certifying exam on the 16th and 17th September 2021 at Saveetha Dental College and Hospital, Chennai following all COVID appropriate norms and safety measures. A total of ten candidates appeared for this exam, out of which six were declared successful. The Board conducted the Annual General Meeting of the College of Diplomates Indian Board of Orthodontics (CDIBO) on the 17th September 2021. The newly elected Director at this meeting for the term 2021-2026 was Dr. Mala Ram Manohar from Kozhikode. The 22nd Convocation of the IBO was conducted on the 18th September 2021, at Saveetha Dental

College and Hospital, Chennai where the six candidates who were successful at the clinical exam were conferred the status of Diplomate, Indian Board of Orthodontics at this grand Convocation ceremony.

The Convocation was presided by the Chairman IBO, Dr. Ketan Vakil along with his team, the Board of Directors namely the Vice Chairman, Dr. M. Vadivel Kumar, Secretary & Treasurer Dr. Ashwin George and the junior Directors, Dr. Rajaganesh Gautam and Dr. Salil Nene, present as dignitaries in the function. The six new Diplomates inducted into the College of Diplomates IBO were Dr. Abhishek Jain, Dr. Ashwith Hegde, Dr. Gaurav Gupta, Dr. Pradeep Subbaiah, Dr. Vignesh Kailasam and Dr. Elbe Peter. On this occasion Dr. Ketan Vakil inaugurated the new website of IBO www.indianboardorthodontics.com where all IBO related information and resources will be available at the click of a button.

The Chief Guest for this function was Prof. Dr. R. Rajagopal, Advisor, Saveetha Institute of Medical and Technical Sciences and former Vice Chancellor, Saveetha University. Dr. Rajagopal in his address stated that Board certification is process of self-audit towards learning, personal growth and betterment of the clinician that serves to raise the bar of excellence in the practice of the specialty at large. The Guests of Honour for the function were the President, Indian Orthodontic Society Dr. Silju Mathew and Hon, Secretary, Indian Orthodontic Society Dr. Sridevi Padmanabhan. President IOS Dr. Silju Mathew in his address conveyed warm greetings from the IOS head office and the membership, congratulated the Board in all its endeavours and excellent work during the challenging pandemic years and mentioned that the IBO is the Board of excellence of the IOS, a commitment to the highest standards of orthodontic care. He heartily congratulated all the newly inducted Diplomates and wished them the very best for their future.

The function was well attended at the venue and was also relayed live for audiences all over the country and abroad through a YouTube channel telecast. The Prem Prakash Award for the Best Case in the exam this year was awarded to Dr. Elbe Peter at this function. The outgoing Chairman Dr. Ketan Vakil then installed Dr. M. Vadivel Kumar as the new Chairman of the Board for the year 2021-2022 and wished the entire team of the Board of Directors a successful tenure ahead.

“MUSINGS WITH KEKI”

In Conversation With Dr Keki Mistry, Founder Member of IOS Episode 7

The bright rays of the October sun have started to warm the land and once again, I have the pleasure of sharing my whispers with you. So I draw up my easy chair and share with you a letter I received from Dr Vijay Jayade, a renowned and senior Orthodontist. I reproduce the letter below.

“Unravelling a “Mystery”

Dr Mistry with Dr Jayade to his right along with other prominent Orthodontists

In the earlier versions of Microsoft Word, whenever I typed ‘Mistry’ it got highlighted as a miss-spell and one of the correct options suggested was ‘mystery’. That is what Dr. Keki M. Mistry is to many young orthodontists. Being only six years junior to him, I think I am in a good position to unravel his persona.

I am not sure when exactly I met Keki for the first time. It might have been during my post-graduation at the Govt. Dental College in Mumbai during 1965-67 or it might be in one of the early conferences of the Indian Orthodontic Society. What I so distinctly remember is the first

impression he made – a tall, fair, handsome, urbane, suave, friendly and articulate person. In spite of his seniority and stature, he effortlessly mingled with us all. Besides being the founder member of the Indian Orthodontic Society, he was also very active (and continues to be active even today) in the affairs of the Indian Dental Association. It was a treat to listen to his speeches in the conferences or when he gave his opinion on any contentious issues in the Annual General Body. Everyone would hear him in rapt attention. His command over the English language, measured views and persuasive arguments would win the debate in most instances.

It was no wonder then that he quickly climbed the ladder of responsibilities, not only in IDA and IOS but also in international bodies like the Asian Pacific Dental Federation, International College of Dentists, Federation Dentaire International and WHO. Almost every year we kept on hearing his getting some award or honor. In spite of his achievements, he maintained cordial relations with his friends and colleagues.

He took up academics with the same zeal and perseverance when he joined the Orthodontic department of GDC. I remember visiting the Orthodontic Dept. of GDC after he took over. Earlier, I used to feel saddened to hear of its deplorable deterioration over the years, but when I entered the department with him, I could see a remarkable change. It had transformed into a well-equipped, disciplined and smooth functioning department. A galaxy of outstanding

orthodontist clinicians – some of them reputed present day academicians as well - came out of the department headed by Dr. Mistry. Later, I was also a co- examiner with him in a couple of MDS examinations and found him a fair and balanced examiner.

What I envy Keki for is the ease with which he interacts with persons of any standing – whether it is a minister, a cine star (even Big ‘B’), a colleague, a student or the department attender. They all enjoy the same level of comfort with him. Consequently, he maintains a very large circle of friends and acquaintances. He has close relations with many orthodontic luminaries from abroad. The late Dr. Ricketts and Dr. Mistry, both devotees of Shri Satya Sai Baba, used to travel to Puttaparthi to receive Sai Baba’s darshan.

This large circle of contacts enabled him to organize the IDA and IOS activities in a spectacular manner, whenever he was entrusted with their conduct. During my Presidentship of IOS in 1992-93, I requested him to take up the task of conducting a workshop on Post Graduate education in Orthodontics. He readily agreed him to take up the task of conducting a workshop on Post Graduate education in Orthodontics. He readily agreed and organized the activity in an exemplary fashion. He was able to attract a large number of teachers from all over India. The deliberations were thorough and fruitful. The arrangements were excellent. It was a most satisfying activity during my term and lion’s share of the credit truly goes to Keki.

Keki will be shortly completing 80 years but at heart he is the same young person I saw all those years back.

Now he meets us every day on Facebook- sharing his thoughts and wisdom, complimenting someone’s achievement, posting delightful photographs of nature’s wonders and remembering festivals and important days of all faiths. He enjoys life and inspires others to do the same. I wish him many more years of health, happiness, active life and achievements.

Dr Vijay Jayade

Past President IOS

Dr Mistry and his students along with the famous Orthodontist Dr Ricketts

Message from IOS Public Awareness Committee

Chairman Dr Dig Vijay Patil

First and foremost on behalf of our committee, we would like thank you for entrusting us with one of the most difficult challenges that we are facing in recent times.

Covid 19, has taken a toll from everyone, but with receding wave and increase in number of vaccination all over the country we can see light at the end of tunnel

We the members of Public Awareness committee take this opportunity presented to us in form of IOS times to present our vision and objective for the year 21-22

Dear friends today our speciality is presented with unique challenge where corporates, companies are trying to eliminate the role of orthodontist in treating patients, in order to prevent this Public Awareness on massive scale is imperative

Here we have to stand united and promote our speciality

Our Vision is To create Awareness about Orthodontics and Orthodontists among General Population and medical fraternity colleagues and Create “Orthodontist” as Brand

Our Mission is to make people aware of orthodontics and orthodontist and why getting treated by orthodontist for braces is best option for them. Similarly making them aware of pitfalls of DIY aligners.

Keeping in mind with our mission, we will be starting online and offline campaign soon.

Tentatively Online campaign includes Paid promotion on Facebook, Instagram, google and Snap chat, upgrading our web presence. Offline campaign includes conducting nation campaign with the help of study group, radio advertisement, sport tournament at study group level for promotion of orthodontics, newspaper article and interviews.

Obituary

Very sad to inform that we lost our young member Dr. Aditya Tanakhiwale (32 years) in a road accident near Khopoli on Pune-Mumbai highway on 27th September 2021.

It's a very sad and unfortunate incident !

Dr. Aditya Tanakhiwale was my student at Dr. D.Y.Patil Dental College and Hospital, Pimpri, Pune Passed out in 2016

I knew him very well as he was my patient as well. Very bubbly and affectionate guy with passion for dancing. He was a very hard working and sincere clinician, trustworthy friend for his batchmates, mature son and son in law, loving husband for his wife. A huge loss to all of us who were close to him.

May the God give strength to bear the loss

Dr Jayesh Rahalkar, on Behalf of Indian Orthodontic Society
