CALL FOR INVITED SPEAKERS (Rising Star category)

The scientific committee of 56th Indian Orthodontic Conference is seeking speakers for the national conference to be held at Bharati Vidyapeeth Campus (Deemed to be University) Pune, Maharashtra, India from 16-18 of September 2022.

Those who are interested and fulfil the below mentioned criteria are encouraged to submit their curriculum vitae (not more than 3 pages) along with the topic and abstract of their presentation **as per the below mentioned guidelines** to the scientific chairman at the email address **scientific@56thiopcune.com**

Criteria to be fulfilled to be invited as Rising Star speaker at the national event are (any one of the following three)

1. Minimum of 3 presentations made either in the national, regional or study group level meetings which should be done exclusively for orthodontists

or

2. Minimum 3 publications made in the field of orthodontics which should be in peer-reviewed journals indexed on PubMed or Scopus or Web of Science or must be a journal published by Speciality Organisation

or

3. Should hold grants or projects from any national/state/university level funding agencies and the project should be considering recent advances in the field of orthodontics or related fields

Mandatory requirements

- Should be a registered delegate for the 56th IOC, Pune
- Should not have been a speaker in the last two national conferences of the Indian Orthodontic Society (Bhubaneshwar and Amritsar) consecutively
- Should not be involved in any commercial promotion of products and should not hold any conflict of interest which will directly influence conference policies.
- Should be a Life Member/Associate member /international member of the IOS.

Guidelines for the submitted scientific presentation

- Scientific paper presentation shall be accepted in only three categories:
 - Research
 - Clinical
 - Clinical Innovations.

Note: Review papers shall NOT be accepted.
- The time duration of the presentation being 20 minutes (15 minutes plus 5 minutes) for the RISING STAR category.
- The Title and Abstract (not more than 250 words) of the presentation with the mention of the Invited Speaker category (Rising Star) should be submitted as a separate attachment to the aforementioned email id by the due date.
- We encourage you to send an informative/structured abstract (complete abstract) which is a summary of a paper's content (which can clearly convey the nature and content of your presentation) - be it research, clinical or clinical innovations, with strict adherence to the word count mentioned. Vague abstracts that indicate a general nature of the topic chosen might not be considered for the selection process.
- Applicants are encouraged to submit their curriculum vitae (In the suggested template) as a separate attachment to the application mail which should

- contain the fulfilment criteria as also other meritorious achievements which might help in the selection criteria.
6. First time speakers at the IOS national conference who fulfil the requirements are encouraged to submit their application.

Applications with the necessary attachments shall be accepted ONLY through the said email id: scientific@56thiocpune.com

The last date of receipt of applications will be 25th June 2022, 5:00 PM.

Since there are limited slots in the Invited speaker category at our national conference, please note that submitting an application shall not guarantee a speaker invitation from the conference organizing committee. The names will be actively considered by the scientific committee and will be subjected to a stringent selection process by the Speaker Selection Committee of the Indian Orthodontic Society before a formal invite is sent.
