# President's Message

Regards and Wishes to members of Indian Orthodontic Society

I am glad to connect with you all, through this June'22 issue of IOS Times.

Month of June'22 was another active month for Indian Orthodontic Society. There were Nation wide array of events, in form of continuing Orthodontic Education, administrative Executive committee meeting and Public awareness campaign around the country through the IOS Smile Rally.

The office of the Honorary Secretary convened the 4rd EC meeting of Indian Orthodontic Society on 12th June'22 at Chennai. Detailed discussions and fruitful resolutions were made on the proposed agendas. The office of the secretary shall release the minutes in few days.

Thanks to members of Madras Orthodontic Study Group and EC Members from Chennai for their warm Hospitality.

Department of Orthodontics & Dentofacial Orthopaedics, JSS Dental College & Hospital, Mysuru organised two-days' IOS-National level online teachers training program for faculty in Universities, Colleges, Institutes of Higher education. The event was organised on June 1st & 2nd, 2022 via online mode. The objective of this program was to help teachers in orthodontic fraternity to be able to make desirable change and achieve the common objective of making education system more interactive and informative for all the teachers and students as well. The response was overwhelming and the feedback over the program was excellent.

The department of Orthodontics of Buddha Institute of Dental sciences and Hospital organized a 3-day IOS-National Integrated Typodont workshop from 24th to 26th June. The event was inaugurated by College secretary Mr.R.K.Singh, College chairman Dr.Binoy Kr. Singh, Principal Dr. Ujjal Chatterjee, Chief guest Dr. K. Sadashiva Shetty (Director Bapuji Dental College and Hospital, Davengere, Karnataka), Guest of honor & Dr.B.K.Singh (senior Orthodontist in Bihar). I am glad to have presided the program with my Officials- IOS Hon.Secretary Dr.Sridevi Padmanabhanan & IOS vice-president Dr. Sarabjeet singh. Congratulations to Organizing chairman Dr.Amesh Kumar Golwara and Organizing secretary Dr. Neal Bharat Kedia for giving a wonderful show ,high value education and skill development for our Student members.

The Smile Rally continued with full zeal around the country for the Month of June. There were fantastic line of activities around the country in form of Public awareness, continuing education and lighter moments to uphold the spirit of Indian Orthodontic Society. The IOS Flag kept moving around Trivandrum, Kolkata, Bhubaneshwar, Patna, Guwahati and many more cities, under the authority of the respective study groups. Finally for the end of June, the Flag reached my hometown of Vizag City from Bhubaneswar. I am proud to receive it personally from the flag bearer Dr Swati Acharya from Bhubaneshwar. The entire week was marked with celebration, Orthodontic Education and IOS Public awareness in and around Vizag.

Get set for a Wonderful Monsson of July 2022 . We promise you another active month from IOS for July.

Till then, Stay Safe, Healthy and Happy.

Take Care

Jai IOS

President, Indian Orthodontic Society

## Hon. Secretary's Message

Dear members of the IOS,

June has been a power packed month . The smile rally travelled from Dharwad to Kolhapur to Nashik to Indore. It also travelled from Patna to Kolkatta to Bubaneswar to Vizag.

The Executive committee met on the 12th of June in Chennai and discussed various items of business.

The IOS awards have been announce and will be presented in the 56th IOC in Pune.

The last date for scientific posters and papers,56th IOC had been extended to 30th June and there has been an overwhelming response. In order to encourage student participation , poster and reels competition on public awareness has also been announced.

JSS dental college conducted an online teachers training workshop on 1st and 2nd of June. Several teachers of the IOS attended and found the event useful.

The IOS national integrated typodont workshop Orthomantra was conducted in Patna on 24th -26th of June in Buddha Institute of Dental sciences. The event was a grand success with several students participating from several parts of the country .

Final nominations for IOS elections 2022 have been announced. Although the conference is physical, all voters even those at 56th IOC will vote online and therefore it is mandatory for members to pre register to vote in the elections. A trial election will be announced soon .

We look forward to July with many more programmes coming up , most importantly the mid year convention in Greece.

Jai Hind, Jai IOS

**Sridevi Padmanabhan,**

Hon. Secretary,IOS

# IOS- NATIONAL INTEGRATED TYPODONT WORKSHOP

## 24th to 26th June 2022

*Reported By Dr.Amesh Kumar Golwara*

The department of Orthodontics of Buddha Institute of dental sciences and hospital organized a

3-day National Integrated Typodont workshop from 24th to 26th June alongwith Indian Orthodontic Society. The event was inaugurated by College secretary Mr.R.K.Singh, College chairman Dr.Binoy Kr.Singh, Principal Dr. Ujjal Chatterjee, Chief guest Dr. K. Sadashiva Shetty(Director Bapuji Dental College and

Hospital,Davengere,Karnataka),Guest of honour Dr.B.K.Singh (senior Orthodontist in Bihar),IOS president Dr. Srikrishna Chalasani, IOS Hon.secretary Dr.Sridevi Padmanabhana, IOS vice-president Dr. Sarabjeet singh, organizing chairman Dr.Amesh Kumar Golwara and organizing secretary Dr. Neal Bharat Kedia.

Day 1 initiated with welcome speech by the organizing chairman, Dr.Amesh Golwara in which he appreciated dignitaries of Indian Orthodontic Society, College Administration, his core organizing team, participating student delegates, media and sponsors to join for this programme which was first time being held in Bihar-Jharkhand region.

The IOS President Dr. Srikrishna Chalasani coming from Bangalore said that students are backbone of any society and its really great to see so much enthusiasm and participation of students who have come here for workshop. He congratulated the organizing team for great organization and said that it looks equivalent to a mini-conference.

The IOS Hon. Secretary Dr. Sridevi Padmanabhana coming from Chennai was also impressed by the organization and said its her first visit to the land of Buddha. She also added that when she was a student

no such organizations took place under one roof so the students now are lucky to get that and Indian orthodontic society is proud to organize such events.

The vice president of IOS Dr. Sarabjeet singh from Chandigadh said that it's a proud moment for IOS to allow sharing of knowledge and experience from renowned speakers among new budding orthodontists.

The guest speakers for first day event were chief guest Dr. K. Sadashiva Shetty from Karnataka, Dr.T.P.Chaturvedi from Varanasi, Dr. Sarabjeet singh from Chandigadh and Dr. Pradeep Raghav from Meerut. These stalwart speakers explained about initial mechanics used in speciality of orthodontics and how can it be applied recently. Following the lectures the student delegates were given hands on learning experience.

Day 2 started with lecture over Self-Ligating brackets(new technique) by Dr.Sridevi Padmanabhana followed by a demo of using the same. Then Dr. Jayesh Rahalkar distinguished speaker coming from Pune explained about new age MBT philosophy and how it developed from previous philosophies. He said that knowing history is always important to understand present techniques. It was followed by a hands on over bonding technique.

The afternoon session was by prominent face of Lingual orthodontics in India, Dr. Sanjay Labh who explained about Lingual orthodontics, his own additions to the speciality and T-loop. He interacted with students following lecture to show bending technique in lingual orthodontics.

Day 3 events started with lecture by Dr. Dharmadeep from Andhra Pradesh over self-ligating lingual brackets in which he explained how it's important to understand the making of any appliance and customization as each patient is different.

The next speaker of the day, Dr. Prashant from Bangalore explained about Begg technique and how it has been modified to be used with modern technique of teeth straightening available. It was followed by hands on session over various techniques of wire bending in Beggs.

The workshop ended with final session over very new aligner technique for teeth alignment and 3D-printing of models for the same by Dr. Digant Thakkar from Rajkot,Gujarat. He explained about how technology has evolved and where do we stand as orthodontists to grab the same.

## MESSAGES FROM CHIEF PATRON & PATRON

**PROF. (DR.) BALVIR S. TOMAR**

Hon'ble Chairperson and Chancellor,  
NIMS University Rajasthan

Chief Patron

It is a matter of great pride that NIMS Dental College & Hospital, under the aegis of NIMS University Rajasthan, Jaipur has got the privilege to host the 1st ever "Invisible Orthodontic Conference" of Indian Orthodontic Society in the Pink City of India, Jaipur from 4th – 6th August, 2022.

I am delighted to welcome you to the sprawling campus of Nims University Rajasthan, Jaipur, a Leading University in India, which is a multi-disciplinary University and has carved a niche for itself amongst the top universities of the country.

Nims University, situated in the lap of Aravali hills and natural serene beauty, stands for great educational vision. We, at Nims University, believe in the commitment of quality of education, as the empirical value of freedom can only be realized through education that helps in the exploration of new horizons, creating an environment where innovation and creative enterprise will flourish to establish the highest standards in the Indian and International scenario.

Large number of students from all over India and overseas have opted Nims University as a preferred Institute for their higher education and with these credentials of Nims University, my message to the beloved delegates is "JOIN US...FEEL THE DIFFERENCE" and I assure you that this conference will surely make a big impact in the field of Orthodontics. I wish to congratulate Dr. Mridula Trehan and her team for their efforts and hard work in organizing this event.

**DR. DIBYENDU MAZUMDAR**

Hon'ble President, Dental Council of India

Patron

Technology has taken Dental Sciences to greater heights and a new era of Dentistry has emerged in India with the advent of newer technology and advanced appliances. As the demand for esthetic treatment has been increasing in recent times, more people are seeking alternatives to conventional appliances which are comparatively less visible. Lingual appliances and Clear aligners are esthetic options for orthodontic treatment and have gained immense popularity over the last decade. But, proper management and treatment planning is of utmost importance when patients are being treated with such technologically advanced therapies.

I am very happy to have been invited to the 1st ever "Invisible Orthodontic Conference" by NIMS Dental College & Hospital, NIMS University Rajasthan, Jaipur and I am sure this will immensely help the Orthodontic fraternity and Post Graduate students to gain a plethora of knowledge and expertise and they will be able to provide much better and precise treatment to their patients.

I wish all the delegates a very rewarding stint in Jaipur.

# IOS Smile Rally Campaign May-June 2022

## Smile Rally at Varnasi- 26th May 2022

On 26 May 2022 Banaras Orthodontics Study Group, organized a Smile rally from IMS, BHU, to New Vishwanath Temple, BHU, Varanasi as per the direction of the Indian orthodontics Society under the supervision of Professor Dr. TP Chaturvedi, Incharge at Department of Orthodontics, Faculty of Dental Sciences, IMS, BHU, for creating awareness about orthodontics treatment & its impact on one's smile. Residents of the Orthodontics department, Intern, Final Year, and third-year students of the Faculty of dental sciences also participated in the event. With the aid of posters, the general public was oriented toward the correction of crooked teeth and the maintenance of oral hygiene.

On 31 May 2022, World Anti-Tobacco Day, a public awareness event was organized along with the continuation of smile rally on Assi ghat Varanasi, the

common people were educated about the harmful effects of tobacco consumption, the benefits of good oral hygiene & correction of the misaligned tooth through various methods. Dr TP Chaturvedi, Dr Vipul Kumar Sharma and Dr Ajit Vikram Parihar were present in the event. The people were educated about various diseases occurring due to tobacco consumption with the help of posters and banners. The members also interacted individually about the ill effects of tobacco consumption on individuals' health and its effect on the environment.

People were oriented toward various means of treatment for the correction of misaligned teeth. Members also distributed aids for maintenance of oral hygiene to the general public & told them about proper techniques for oral hygiene. People were asked about their doubts & various misconception related to dental treatment and proper information were provided to the individual.

# The Indian Express, Covers the “need of the Hour” article - All you need to know about Do-It-Yourself aligners for teeth straightening.

29th June 2022

This article made a great extent of awareness among the General Public on the nuances and Dangers of Direct to Consumer Aligners

Thanks to Vice President Dr Sarabjeet for his efforts in bringing out this article.

The screenshot shows the article page on The Indian Express website. The article title is "Explained: All you need to know about Do-It-Yourself aligners for teeth straightening". The sub-headline reads: "The Dental Council of India issued a public notice to companies offering at-home Do-It-Yourself aligners for teeth correction. What are DIY aligners, and how does this therapy differ from the traditional method?". The article is written by Rakshi Jugga and updated on June 19, 2022. The main image is a close-up of a smiling woman's mouth. To the right, there is an advertisement for Truein, which promotes increasing workforce productivity with their Contractual Staff. The page also features sidebars with Adobe Creative Cloud offers and a decorative illustration of a deer.

The advertisement for Ormco Damon Q2 features a large, stylized image of a blue and white Damon Q2 bracket. The text "Two is better than one." is prominently displayed. Below this, it states: "Damon Q2, featuring 2x\* rotation control for optimal precision, predictability, and efficiency." and "Treat all cases with the utmost confidence and bracket reliability\*\* for the best possible smile result." The Ormco logo is in the top left corner, and the Damon Q2 logo is in the bottom right corner. The website address www.ormco.in and email mktg.india@ormco.com are also provided.
