President's Message

Dear Members of Prestigious Indian Orthodontic Society,

Hope this year 2023 has kick started with a bang for all of you..!

Here are we at IOS with power packed calender events.

The first event of the year was PG orientation programme at KLE's college of Dental Sciences on 5th & 6th Jan where the Organising Chairman Dr. K M Keluskar along with faculty did an phenomenal job. The flamboyant lectures made the fresh post graduates left with the thirst to learn the best in orthodontics.

The Friday Randevous held on 6th Jan by Dr. Eddie Hsiang from Tiawan on 3D controls was very innovative. Kudos team academic council for their Valiant Efforts.

The Orthodontic Premier League held at Coorg on 18th & 19th Jan was an exciting experience for the participating teams. We appreciate the efforts of Dr. Goutham Reddy and his team for all the energy to host programmes of this magnanimosty with eye to precision detailing. Many congratulations to the winner teams Ballista Bengaluru and Coorg warriors.

The republic day was proudly celebrated by all on 26th Jan. On this day, a video was released by the IOS in which all the EC members patrioticy participated. The video was very appreciated by all the members. From 27th Jan -29th Jan, The presitigious RAHmed Dental College and Hospital hosted the National Typhodont workshop.

With the warm hospitality of the Organisers especially Dr. Partha Pratham, the stalwart teachers in Orthodontics gave the lecture and handson experience to the students which is unforgettable for life.

Looking forward to much more of Academic Learning in months to come.

Stay Tuned!!

Jai Hind, Jai IOS

Best Wishes & Lots of Love,

Dr. Balvinder Singh Thakkar

President, Indian Orthodontic Society

Secretary Message

Esteemed members of IOS

New Year Greetings

I wish you all a happy and prosperous new year 2023!

I hope this issue of IOS times finds you in good health and happiness

A New Year is a new beginning.

The first calendar event of the Indian Orthodontic Society was the PG orientation program in Belgaum. This program was conducted in a focused manner for the first MDS students.

The first social event was the Orthodontic Premier league at Coorg.

Republic day celebrations were held in a grand manner with active contributions from many esteemed members.

The National Typodont workshop was conducted in Kolkata in the prestigious Dr R Ahemed dental college from 27th to 29th January 2023.

Phase II IBO online examinations were successfully conducted on 29th January 2023.

Jai IOS, Jai Hind

Sincerely,

Prof. (Dr.) Sanjay Labh

Hon. Secretary, IOS

Editor's Message

If January is the month of change ,February is the month of lasting change .January is for dreamers...February is for doers “.

Even though February is the shortest month of the year ,we shouldn't just rush through it .We should use this month to continue working on our new year goals and building new habits.It is worth taking the time to stop and contemplate at the beginning of this new month about the new vision and goals fabricated at the beginning of the year .Its time to already pace up with the activities planned for the coming months .

We already had a power packed January with different activities gearing up the 2023 zeal .

With some major programs successfully crisped and browned in January we wait for yet another upcoming radical event i.e Post graduation Students convention in Lucknow in the mid of this month .

There is always some inspiration to imbibe from our interview section and some inspiration , enthusiasm ,courage and wonder from our Orthotainment section .

This is a month of gradual changeover of season ,which we should enjoy and learn from .It makes us full of hope for the spring and also challenges us to be patient and endure the cold till the end . It's also a time to show more love and kindness towards the people in our lives.

We wish all the members relish the smallest month and use it most wisely and fruitful way .

Regards

Dr Santosh Ramegowda

IOS FRIDAY RENDEZVOUS

“3D Control of TADs in Orthodontics”

Dr. Eddie Hsiang-Hua Lai (Taiwan)

By: Dr. Ankit Sikri (Section Editor)

The poster features the IOS logo at the top left with the website www.iosweb.net. The main title is 'THE IOS FRIDAY RENDEZVOUS' in large blue letters. Below it, the topic is 'TOPIC : 3D CONTROL OF TADS IN ORTHODONTICS'. A photo of Dr. Eddie Hsiang-Hua Lai is shown on the right, with a 'Speaker' badge below it. The date and time are '6 Jan. 2023 at 07:00 PM'.

The lecture series “IOS Friday Rendezvous” kick started for the year 2023. It was organised as an online webinar on the topic – 3D control of TADs in Orthodontics on January 6th, 2023. The first Friday of the year 2023 witnessed great number of virtual attendees who eagerly wanted to listen to Dr. Eddie Hsiang-Hua Lai from Taiwan.

The aim of the webinar was to help us understand better the role of Temporary Anchorage Devices in the Orthodontic treatment with its three dimensional control which acts as a mainstay throughout the treatment duration.

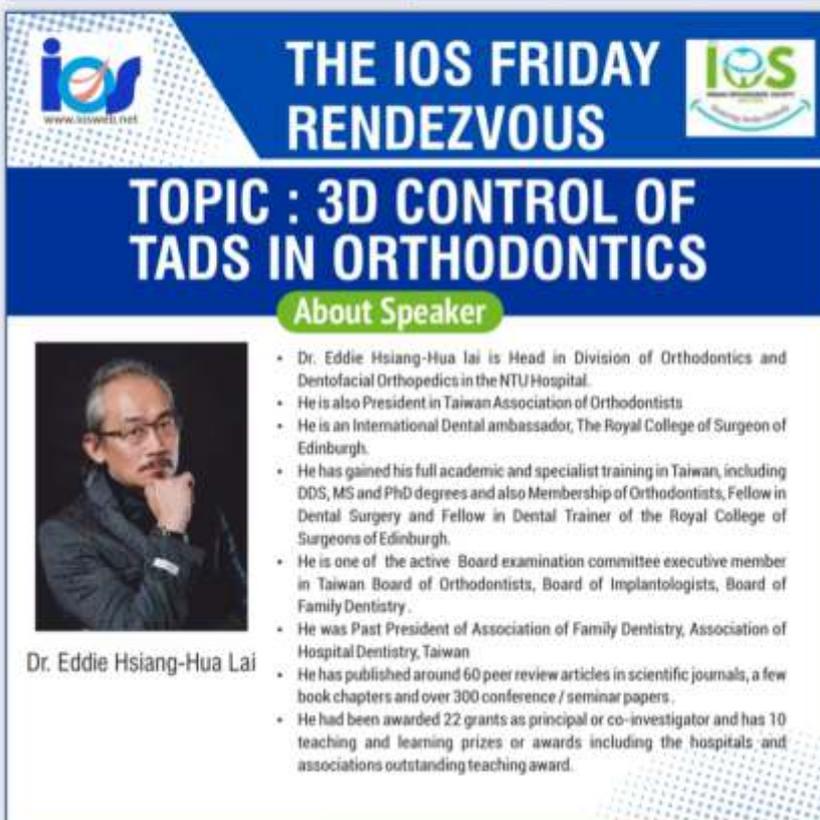

The inaugural ceremony was started at 7 pm by Dr. Amesh Golwara where he welcomed the speaker, principal office bearers and the Executive Committee Members along with the other delegates.

The Welcome address was delivered by Dr. Balvinder Singh Thakkar (President, IOS) and it was followed by introductory remarks on the IOS Friday Rendezvous Lecture Series.

Dr. Sanjay Labh (Honorary Secretary, IOS) delivered his welcome speech to the keynote speaker, Dr. Eddie Lai and also shared his valuable thoughts on the topic.

The speaker, Dr. Lai, shared his expert in depth knowledge on the importance and significance of three dimensional control of temporary anchorage devices in the Orthodontic treatment. He also gave a deep insight on how to judiciously use TADs in our day to day practices.

Towards the end of the program, a Q&A session was conducted by Dr. Ajay Kubavat, Dr. Sheetal Patni & Dr. Deena Dayalan where Dr. Eddie answered all the queries and clarified the doubts of the delegates. In the end, the concluding remarks and the vote of thanks were delivered by Dr. Puneet Batra. It was followed by a virtual certificate of appreciation which was handed to the guest speaker by Dr. Srikrishna Chalasani (Imm. Past President, IOS) & Dr. Shailesh Shenava (Vice President, IOS).

This poster is similar to the one above but includes an 'About Speaker' section. It features the IOS logo and website, the title 'THE IOS FRIDAY RENDEZVOUS', and the topic 'TOPIC : 3D CONTROL OF TADS IN ORTHODONTICS'. A photo of Dr. Eddie Hsiang-Hua Lai is shown on the left, with a caption 'Dr. Eddie Hsiang-Hua Lai' below it. The 'About Speaker' section lists his qualifications and achievements.

About Speaker

- Dr. Eddie Hsiang-Hua lai is Head in Division of Orthodontics and Dentofacial Orthopedics in the NTU Hospital
- He is also President in Taiwan Association of Orthodontists
- He is an International Dental ambassador, The Royal College of Surgeon of Edinburgh.
- He has gained his full academic and specialist training in Taiwan, including DDS, MS and PhD degrees and also Membership of Orthodontists, Fellow in Dental Surgery and Fellow in Dental Trainer of the Royal College of Surgeons of Edinburgh.

Orthognathics Rebooted *Programme*

A one day orthodontic programme named "ORTHOGNATHICS REBOOTED" on 4th December 2022, at Ashoka Inn, Thrissur, under the Royal Dental College, Palakkad, Kerala. There was a wonderful lecture by Dr. Sirengalakshmi, Associate Professor, Department of Orthodontics, Saveeta Dental College, followed by a hands on course about virtual orthognathic surgical planning using Dolphin software by Mr Manish Sharma Dolphin coordinator. We had 56 delegates for both the lecture and hands on course. We had participants from various dental colleges in Kerala, specialists other than orthodontics, and private participants as well. All together, it was a very informative and successful programme. Special thanks to IOS for your support and guidance.

FLASH CONCLAVE 2023

Flash Aligners recently concluded the Flash Conclave 2023 at ITC, Maratha (Mumbai). Dr. Ravindra Nanda, Profession Emeritus, U Conn Health, Farmington, USA was the Key Note Speaker for the Conclave. Flash Certified Orthodontists from across India made the Conclave an interactive one with their enthusiastic participation. The Flash Conclave 2023 was a platform to showcase the new advances made by Flash Aligners and was also an opportunity to felicitate Orthodontists with the Flash Excellence Awards. Thanks to all participating Orthodontists for making Flash Conclave 2023 a huge success.

With our focus on Science & Service, Flash Aligners is proud to present Made in India Aligners.

Artist Dr. Ketan Naik

Interview by **Dr.Pritam Mohanty**

"You can only teach the science of its execution, but not art itself", says Dr. Ketan Naik. That's probably why he is as good an orthodontist as he is a sculptor, as both the specialities are both, science as well as art in almost the same proportion.

Dr. Ketan completely dedicated 5 years to MGM dental college at Navi Mumbai and 3 years to Rural Dental College at Loni to become an orthodontist but one can't believe that the idols made by him are indeed made by somebody with no professional training in any field of fine arts.

His love for the form of Ganesha turned him into an award winning sculptor within only a year of experimenting with clay idols. With only handful of idols made in his sculpting journey of 5 years, he's already become an inspiration for the art students across the nation. We wish him all the luck and hope to see more and more beautiful idols made by him.

Artist: Dr. Ketan Naik
9819121315

1. Tell us about your academic journey till now.

My academic journey has been full of surprises. It was my parents wish that I became a doctor. Never had I thought I would become a doctor in the field that would teach me the BTS of sculpting.

2. What is one major passion of your life?

Love is the driving force of my life.

3. How do you balance life between your profession and passion?

It was difficult before covid with my old clinic. The new clinic now has an attached art studio. So now I can do more justice to both my fields, dentistry and sculpting.

4. What propelled you into sculpting?

I am in love with ancient Indian art, especially sculptures, and the form of Ganesha is in my blood. I am gifted with three dimensional imagination and fine manual dexterity. Sculpting came naturally as it can be accomplished single handedly, using both the gifts.

5. Can sculpting be considered as a good professional option?

Of course. If opted for through a proper degree course, sculptors have a good scope.

6. What is it that you enjoy the most about your creative side?

Well, I finally get to bring to life what I can imagine.

7. What is one similarity you find between dentistry and sculpture making?

Both the fields are as much an art as a science. Both need us to be disciplined and dedicated. And every new project is different, though they may appear the same to the layman.

8. How did your family react when you opted for sculpting?

As long as I make enough money, they are happy with whatever I do.

9. Do you identify yourself more as an Orthodontist or an Artist?

I don't like to entitle myself as anything. That's a sad way to limit oneself. I am sure I am capable of doing a lot more than just orthodontics and art. But if I must, I know I was born an artist. Because I am an artist, I am a good orthodontist.

Simplifying Treatment Mechanics Using Passive self Ligation and class II corrector

Pacific dental college and research centre, under the leadership of Dr Piyush Bolya (Organizing chairman) conducted a One day CDE with Hand On/Live Patient on "Simplifying Treatment Mechanics Using Passive Self Ligation and Class II Corrector" on 16th January 2023 at Udaipur Rajasthan. The CDE had 69 Student Life Members (PG Delegates) & 27 Life Members i.e. in total 96 delegates of Indian Orthodontic Society. Sir I am attaching the photographs of the event.

ORTHO VOICE-2023

SANKALCHAND PATEL UNIVERSITY
NARSINHBHAI PATEL DENTAL COLLEGE AND HOSPITAL
DEPARTMENT OF ORTHODONTICS AND DENTOFACIAL ORTHOPAEDICS

Department of Orthodontics and Dentofacial Orthopedics, Narsinhbhai Patel Dental College and hospital, Sankalchand Patel University organized one day Expert Lecture program on 7th January, 2023. The event was endorsed by Indian Orthodontic Society. The event was attended by 35 delegates, chairpersons, and committee members. The program commenced on 7th January, 2023 with registration of the participants followed by inaugural ceremony. The inauguration was attended by Dr.

Dr. Vilas Patel (Hon'ble Dean, NPDCH), Dr. Ajay K Kubavat (Organizing Chairman, Professor and H.O.D. Dept. of Orthodontics and Dentofacial Orthopaedics), Dr. Ravikumar Anthony (Guest Speaker, BDS, MDS, MS, Director of Postdoctoral Program in Orthodontics, UT Health San Antonio, Associated Professor/Clinical Vondark Clinical Professorship. President, American Lingual Orthodontic Association (ALOA)) Dr. Khyati Patel (Organizing Secretary), Dr. Sanjeev Jakati (Treasurer), Dr. Alpesh Vaghela (Committee Member), Dr. Susmita Choudhary (Committee Member) along with all the participants. The scientific session began at around 10.00 am and continued till 1.00 pm with a very interactive discussion amongst Dr. Ravikumar Anthony and participants.

The Organizing Chairman thanked our guest speaker and organizing team.

THE ORGANIZING TEAM

Orthopathashala -2023

KLE VK Institute of Dental Sciences, Belagavi

Department of Orthodontics & Dentofacial Orthopedics

05th and 06th of January, 2023

Hosted by: **Department of Orthodontics, in association with Indian Orthodontic Society**

Orthopathashala 2023, a National Orientation Program, was conducted for the post graduate students as a platform to learn and understand the various aspects of post-graduation. Delegates from various colleges had registered for the event.

Esteemed guest speakers delivered a series of wonderful lectures, helping the delegates to get an insight of the post-graduation course.

The IOS National PG Orientation program was conducted on 5th and 6th of January, 2023. The inaugural function was graced by the chief guest and esteemed guest speakers

The Chief Guest, Dr. Balvinder Singh Takkar, Guest of Honor Dr (Mrs.) N. S. Mahantshetty, Registrar Dr. V. A. Kotiwale, and Principal Dr. Alka Kale, were escorted to the dias by Dr. K M Keluskar. The invocation song was sung by Ananya Roy with lighting of the lamp. The welcome address speech was made by Dr. K M Keluskar. The chief guests and the chief delegates were presented with mementos.

Dr. Shetye and Mrs. Shetye were escorted to the dias by Dr. Roopa Jatti. Felicitation of Dr. Shetye and Mrs. Shetye with citation read by Dr. Sameer Patil and Dr. K M Keluskar was conducted, followed by the response from Dr. Shetye and addressed by Dr. Balvinder Singh Takkar and Dr. N. S Mahantshetti.

The Vote of thanks was given by Dr. Rohan Hattarki. The ceremony was concluded with the National Anthem lead by Ananya Roy.

The inaugural ceremony was followed by lectures:

Dr. Anup Belludi: "Journey of Post-graduate"

Dr. Silju Mathew: "Art of presenting Seminar"

Dr. Jayesh Rahalkar: "Art of presenting Journal Club "

Dr. Swaroop Savanur: "Mental Health"

Dr Kiran Kumar: "Pre-clinical work and Clinical Records"

Dr. Kuldeep Dmello: "Photography"

Dr. Sameer Patil: "Communication Skills"

Dr. Gaurav Gupta: "Use of Digital Platform"

Dr. Vignesh Kailasam: "Art of Scientific Writing and Reading"

Dr. Ravi Shirahatti: "Research Methodology" and "Biostatistics"

Dr. Ameet Revankar: "Literature search and PG dissertation (synopsis writing)"

Dr. P A Patil: "Ethics"

The event came to an end with presentation of the certificates to the delegates by the organizing committee.

Total number of registrations: 135

A Masterclass in Absolute Anchorage System 2023

Department of Orthodontics & Dentofacial Orthopedics, MCE Society's M A Rangoonwala college of Dental Sciences & Research Centre, in collaboration with Indian Orthodontic Society conducted a Day long CDE program named "A Masterclass in Absolute Anchorage" on 22nd January 2023 at Central Park hotel, Pune.

Eminent speakers in Orthodontic Speciality Dr. Adith Venugopal [Cambodia] & Dr. Abhishek Ghosh [Kolkata] gave a series of very informative lectures in this full day CDE Programme.

The event started with felicitation of the guest speakers and presiding chief guests Dr. Dugal & Registrar R A Shaikh by Dr. Ajit Kalia, HOD & Professor Dept. of Orthodontics and President Elect Indian Orthodontic Society Dr. Jayesh Rahalkar. The program was a huge success with more than 80 participants from all over the Maharashtra.

BADMINTON LEAGUE

The Badminton League and MIFA 2022 were conducted by Madras Orthodontic Study Group on 18th December 2022. It saw enthusiastic participation from both staff, practitioners and students. The venue was Whistle, a sports Hub with Indoor wooden Badminton courts and an Indoor football court. Refreshments were served after the event. Overall a very energetic day spent well.

December month's Clinical Enrich program was conducted on December 18th 2022 with a guest lecture by Dr. Martyn Cobourne, Academic Chief of King's College, London. He is also the present Editor in chief of Journal of Orthodontics. The topic was Management of Missing laterals. The guest of honour for the day was Dr. NRK Sir and Dr. Lodd sir. The program was moderated by Dr. Ashwin and Dr. Venkateswaran. A lot of case reports related to this challenging topic was shown.

Good fit		Inverted mandibular second premolar bracket from the opposite side High palatal root torque; smallest tip MBT: [-17° (to +17°) torque; +2° tip Further increase tip with bracket position Get a good bracket base fit. Offers the most torque and best fit (without enameloplasty)	Both: +22° torque; +2° tip Andrews: +22° torque; -5° tip
Good fit		Inverted maxillary canine bracket from the same side Even less palatal root torque; more tip MBT: [-7° (to +7°) torque; +8° tip Reverses the labial root torque but keep the distal tip Get a good bracket base fit. Offers less torque and best fit (without enameloplasty)	Both: +2° torque; +13° tip Andrews: +7° torque; -11° tip
Poorer fit		Maxillary central incisor bracket from the same side High palatal root torque; minimal tip MBT: +17° torque; +4° tip Further increase tip with bracket position Not such a good fit. Enameloplasty should be considered	Both: +17° torque; +5° tip Andrews: +7° torque; +5° tip
Poorer fit		Maxillary lateral incisor bracket from the same side Less palatal root torque; more tip MBT: +10° torque; +8° tip Tip-tilt of the canine so bracket slot is parallel with the planned incisal edge Not such a good fit. Enameloplasty should be considered	Both: +8° torque; +9° tip Andrews: +3° torque; +9° tip

BHUBANESWAR ORTHODONTIC STUDY GROUP

The Bhubaneswar Orthodontic Study Group (BHOSG) hosted its 5th CDE Program for the year 2021-2022 on 4th DEC, 2022 on MAXIMISING SUCCESS WITH ALIGNERS, STRATEGIES AND ADVANCED ALIGNER MECHANICS at FORTUNE PARK HOTEL, BHUBANESWAR in association with Indian Orthodontic Society. The guest speaker for this programme was an affable, highly skilled senior practitioner from Mumbai Dr ARUN NAYAK BDS, MDS, Diplomate of National Board who spoke and shared his experience on maximising success with align treatments of simple non extraction to complex malocclusions like extractions and class III malocclusions extensively discussed on the biomechanics of cases. He also covered various aspects of treatment planning software and how to use it efficiently to make it more predictable, IPR, attachment placement and treatment strategies and gave a better understanding of the potential and maximising success with Aligner system. The Bhosg convenors Dr Subash, Dr Swati Acharya , Dr Pavithra Bai M conducted this programme . Thanking dear Senior colleagues Dr Sanjeeb Sahu, Dr Suryakanta das, Dr Ashish k Barik ,Dr Ashok Jena, Dr Nivedita Sahu, Dr.Smruti B Nanda, and post graduate students for the immense support

26TH IOS NATIONAL PG STUDENTS CONVENTION

LUCKNOW

ADVENT OF DIGITAL ERA

FUTURISTIC ORTHODONTIA

16TH-19TH FEB, 2023

SARDAR PATEL POST GRADUATE INSTITUTE OF
DENTAL AND MEDICAL SCIENCES

Dr. Sudhir Kapoor

Organising Chairman of 26th IOS National PG Students Convention Lucknow

Dear Colleagues,

The time has finally come when we all at Sardar Patel Post Graduate Institute of Dental and Medical Sciences, Lucknow are going to have our rendezvous with the most intellectually prolific minds of the nation. We are eagerly waiting to welcome you all here as our most distinguished guests to the 26th National IOS PG Convention scheduled from 16th February to 19th February 2023.

Our endeavors have been to ensure that you feel at home. With warmth in our heart we hope you enjoy the proceedings at Convention as much as we enjoy having you as our delegate.

Lucknow is a historical city endowed with a rich heritage of the Mughal and the Nawabs' era which is reflected in its culture as well as in its cuisine. With changing times, Lucknow has added richness to its aesthetic value with the addition of several lush green gardens and splendid theme parks. The weather will be quite pleasant during the days of the convention (maximum temperature during the day: 23°C – 25°C and the night temperatures: 13°C -15°C).

26th IOS PG Convention is committed in providing our participating delegates a wide array of opportunities to explore the best and latest technologies prevailing in Orthodontia, justifying our theme "Advent of Digital Era – Futuristic Orthodontia", under accomplished and elite National and International Speakers. The Convention also aims at promoting innovation and research oriented deliberations, which would broaden the horizons and encourage better learning with exchange of knowledge among students. Hope the convention would encourage them to participate in various events and allow developing their skills, along with enhancing their knowledge.

The preparations for the Convention are going on and all our endeavors are aimed at making this mega event enriching and enjoyable for all. Your presence and participation will add new dimensions to 26th National IOS PG Convention. I am sure the event will prove to be a landmark in the sphere of education and enable you to take back fond and evergreen memories of your days spent here.
