IDA HO action on complaint against Dr Akshay Rathi .

Dear Members ,

It was brought to my notice and the EC that Dr Akshay Rathi was invited as a speaker for the Maharashtra State Dental Conference .

As Dr Rathi is an expelled member of the IOS for conducting unethical short courses in Fixed Orthodontics , I on behalf of the IOS EC wrote a complaint to the IDA HO on 27 November 2017 . The IDA HO Dr Ashok Dhoble was sensitive to our concerns and replied back to me on 28 November 2017 that Dr Akshay Rathi **will not be invited , as a speaker to the IDA Conferences .**

We as a society will continue , our just fight against unethical courses in Orthodontics and uphold our profession .

We wholeheartedly thank Dr Dhoble for his positive and prompt action .We hope to build strong bonds with IDA .

Regards

Dr C Deepak
