Invitation

Dear Postgraduate students and Orthodontic Educators

The Centre for Dental Education and Research, All India Institute of Medical Sciences, New Delhi is organizing a symposium on "How to Make Best of the Postgraduate Years? A students-teachers perspective on 1-2 April 2019, under the umbrella of Indian Orthodontic Society.

This symposium includes interactive lectures and discussions on the various aspects of the postgraduate studies to enable the postgraduates to excel in throughout the curriculum. The unique aspect of this symposium is to train the postgraduates based on examiners expectation on the various aspect of theoretical and practical examinations e.g. sequencing and presentation of clinical case in exam, analyzing myofunctional case in exam along with rationale for appliance selection, and final wire design/bonding in exam with rationale.

This symposium is not to be missed by postgraduates in Orthodontics and faculty members involved in postgraduate teaching. Faculty members are invited and also requested to encourage the postgraduates to attend this symposium. Looking forward to welcome you in person.
